

# Baghdad International 36 Fair In 1-10\November\2009

The Ministry of Trade-The State Company for Iraqi Exhibitions are pleased to invite all countries and companies to participate in the activities of Baghdad International 36 Fair carrying out the slogan ( The constructions and investments in the new Iraq is a manifestation of the Iraqis well in peace and their non stop development and civilized progress).

To attract more companies and increase the amount of participations in this big event the Business Group company has been officially authorized to organize the international exhibits and Al Imad group for international shipping according to our letter numbered 4006 in 9\6\2009 concerning invitations for international departments, unions, local international companies, and trade rooms.

The arrangement of the Business Group company for the international exhibits in the international Iraqi fair activities November 2008 contributed in the announcement of the 36 October 2009 fair that after it gained the favor and the approval of the government representative and the especial public presence that exceeded 140 thousand during the fair period of time and the participations that represented by more than 340 companies, 18 countries with many official deputations and ambassadors visits.

To make your experience more successful after the participations reached to more than 6000 square meter that until 15\6\2009, we request to send you're company's information (email) to organize you're participation, book the suitable area, and to take advantage of the following services and facilities :

- Sending you're information for participation request earlier (priority booking) guarantees you're company obtaining the distinguished location according to the sketches which will be announced later on, also there are other services included in the participation lists.
- Securing the obtained sweet for you're company's area with the propitiate decoration and with competitive prices.

You can take advantage of the remote participation service unleashed by our group for the countries that have interests in joining the Iraqi market and the participants from the local\ Arabic\foreign companies and agencies that have difficulties to be in presence in the fair land, you can also visit our website [www.bg-iq.com](http://www.bg-iq.com) to get additional information.
